Jazz Band \ Jazz Ensemble

Jazz Band and Jazz Ensemble are auditioned extra curricular ensembles at VFMS. Jazz band is open to 5th and 6th grade who participate in concert band or orchestra while Jazz Ensemble is open to 7th and 8th graders who participate in concert band. Signups for Jazz Band\Ensemble, audition dates and audtion music are available on schoology and www.vfmsmusic.com.

Jazz Ensemble instruments include the Alto Saxophone, Tenor Saxophone, Baritone Saxophone, Trumpet, Trombone, Piano, Guitar, Vibes, Electric Bass and Drum Set. Please see Mr. Gonci if you wish to audition for Jazz Ensemble on a instrument not listed.

Jazz Band instruments include Flute, Clarinet and French Horn in addition to the instruments listed above.

Beginning Band

Students wishing to begin a new instrument are encouraged to do so. Beginning band runs for 10 weeks and is designed to get new players in an ensemble setting right away. This helps students refine essential skills needed for ensemble playing. Please see any of the music teachers if you are interested in starting a band instrument. Students are also able to start a string instrument though we do not have a beginning orchestra.

Seating Auditions (7/8 Only)

Students involved in 7/8 Concert Band and/or 7/8 Orchestra have the option to participate in concert seating auditions. If a student does not wish to audition for concert seating, they will be seated behind those students who do. Seating auditions are not required. Audition materials will be available during sectionals.

VFMS Instrumental Sectional Rotation

Each 30 minute sectional rotates through 10 different sectional times in order to ensure that students do not miss too much of any one subject. Sectionals are run on a five day schedule. One instrumental teacher instructs during the first 5 sectionals, the other instructs during the second 5 sectionals. All students in grade 5-8 will be instructed by both teachers. Below is an example of the first 3 of 10 weekly rotations for a 5/6 grader in 'Group D'.

Depending on participation, students can be assigned to more than one group. An example would be if a student played both the violin and the flute, they would be assigned to two different sectionals. It would be up to the student and director to decide with sectional to attend.

Even though both instrumental teachers instruct all sectionals, each ensemble only has one director. Please direct ensemble questions to the ensemble director listed below.

Ensemble Directors

Craig Gonci - 7/8 Orchestra, 7/8 Band, Jazz Ensemble, Jazz Band

Ben Green - 5/6 Orchestra, 5th Grade Band, 6th Grade Band

Communication

Email will be the main form of communication when sending out information. Most of this information will pertain to ensemble and sectional attendance, reminders, field trips and concerts. This information will also be posted on our website at www.vfmsmusic.com. If you are unsure of whether or not your email is up to date or registered with the music department, simply email one of the directors. Under 'Subject', please write, "Email Contact Update". In the body of the email please provide us with your name, your child's name, your child's grade, which ensembles they participate in and an email address where we can send information.

Concert Attire

In order for our students to look as good as they sound, the VFMS music department concert attire is as follows:

- 1) VFMS Music Department Polo Shirt**
- 2) Black pants**
- 3) Black shoes and socks**

The Music Department Polo shirt is available for \$25 and can be ordered through any music teacher. We typically make two orders per year. Every ensemble in grades 5-8 uses the same polo shirt for all concerts.

Shuttle Buses

Shuttle buses are available to students who participate in after school music ensembles. These buses leave from VFMS at 3:15 and drive students to their neighborhood elementary school. Students can then take the elementary school buses to their neighborhoods. Shuttle bus passes will be handed out during ensemble rehearsals.

Morning Rehearsals

Morning rehearsals are scheduled to begin at 7:15AM. We encourage students to be dropped off for these morning rehearsals in order to visit their lockers, notify homebase teachers about rehearsals and to be ready to play at 7:20AM. Students who take the bus will inevitably be late for rehearsals.

Method Books

Method books will vary depending on ensemble and grade level. Please check with the ensemble director for title and level

Notebooks

Students participating in an instrumental ensembles are required to have a 1/2" 3 Ring Binder with them at all rehearsals and sectionals.
